THING BOUNCES BACK

Gremlin's springiest star is set to bounce straight back into a new adventure.

Following his world saving exploits against the evil toy goblin and his monstrous toys, Thing's enjoyed his much needed recuperation, oiled his spring and is now raring to go. What next?... he must finish the job properly and halt the factory computer auto producing these hideous toys.

But superfit as he is and fast as he can move there's danger hidden around every bend... goblins lurking to drain his oil, water rushing to bowl him over, iron chickens fielding dastardly deadly eggs.

A quick hand and dogged determination are needed if you're to get anywhere with Thing in his latest escapade. Fast and furious action is the order of the day and a good sense of direction would be helpful to guide Thing round such a complex location.
